INTRODUCTION:

The Maltese islands

The Republic of Malta is a southern European country, consisting primarily of three main islands, situated in the centre of the Mediterranean Sea. Malta covers just over 300 km² and the population is just above 400,000. The mainstays of the economy are the tourism and manufacturing industries, whereas the secondary pillars are the fast growing financial services and ICT sectors. Malta also boasts one of the largest shipping registers in the EU.

Malta is a member of the major international organizations including the United Nations, the Council of Europe, and the International Monetary Fund. Since May 1st 2004 Malta is also a full member of the European Union and adopted the Euro as its currency in 2008. English is recognized in Malta as an official language, which means that all legislation and business correspondence is in English.

OUR SERVICES

Company Formation & Management

Our office through its multi-disciplinary staff sets up Maltese companies and provides a full range of management services to obtain the desired result from a tax, legal and commercial perspective.
