

Vistra Advisory Services: International Tax

Businesses expanding and operating internationally face a host of tax complexities and uncertainties, from corporate and indirect tax obligations, to transfer pricing requirements to increasingly strict permanent establishment legislation and enforcement in virtually every jurisdiction in the world.

Vistra's Solution

Working with trusted global tax experts who know your operating model, business objectives and risk thresholds provides certainty in today's challenging environment. It also provides opportunities for tax efficiencies.

Vistra's international tax advisory team brings together seasoned professionals who understand the evolving tax requirements of over 100 countries. Many of our advisors have Big Four experience, and they're based strategically across the Americas, Europe and Asia Pacific so they can support you regardless of your countries of operation.

Our international tax group supports businesses engaged in or considering global expansion, helping them navigate the complexities of international and domestic tax laws. We serve a wide range of clients, from small- and middle-market entities to large multinational groups, providing them with user-friendly, tax-effective solutions that lower their risks and maximize their opportunities.

In short, Vistra works to ensure that our clients remain fully compliant with the tax laws of all their countries of operation, while also taking advantage of the full range of tax benefits available.

Our International Tax Services

Vistra provides practical advice and services in the following areas:

- Multi-jurisdiction corporate income tax
- Direct tax, including performing examinations and audits
- Indirect tax
- Tax structuring and financing, including performing tax efficiency reviews
- Permanent establishment
- Treaty interpretation and withholding tax
- Transfer pricing
- Tax-efficient restructuring and wind-downs

“A review of your intragroup cross-border withholding tax positions can often reduce tax leakage.”

—Tom Lickess, Director, International Tax Advisory
