

About Vistra Cayman Trust Limited

The Cayman Islands

The Cayman Islands are a British Overseas Territory in the western Caribbean Sea which comprises of three islands: Grand Cayman, Cayman Brac and Little Cayman.

The Cayman Islands are recognised as one of the world's leading financial centres and is a preferred destination for the structuring and domiciling of sophisticated financial services products. Cayman is the world's leading offshore mutual fund jurisdiction.

In addition to mutual funds, Cayman is a leader in banking, trustee services, company incorporation and limited partnerships, with cutting-edge and modern legislation.

The Territory has a strong community of legal, corporate and accounting service providers which offer the support that clients require in order to manage their structures.

The jurisdiction is well respected by international supervisory bodies and remains at the forefront of implementation of policies and procedures in the prevention of financial crime. The principal financial regulator is the Cayman Islands Monetary Authority (CIMA).

The Cayman Islands benefit from economic and political stability, a tax-neutral platform and an effective regulatory system.
