

About Vistra Germany

Introduction

Germany is one of the world's leading industrial nations. With the highest gross domestic product and the largest number of inhabitants in the European Union, it is the most important market in Europe. Within a stable political environment and one of the world's prime financial markets, Germany provides an ideal location for new and existing businesses and is one of the most attractive places for foreign direct investment.

The key advantages of doing business in Germany are well known: political stability, legal certainty, a solid regulatory regime and a well-trained workforce.

Vistra Germany has offices in Berlin, Cologne, Frankfurt, Hamburg, Leipzig, Munich and Soest. This coverage reflects the federal, decentralised structure of Germany and enables to do business throughout Germany.

Services

Vistra Germany offers a complete range of services, with a dedicated team of professionals focused on tailor-made solutions providing a full range of services throughout our three business divisions Alternative Investments, Corporate Services and International Expansion.

Our "One-Stop-Shop" strategy simplifies processes, reduces complexity, assumes full responsibility along the value chain and makes it easier to concentrate on your core business. Our unique range of services includes:

Alternative Investments

We offer a full life-cycle approach, from fund level through to the holding company, to local property owning company and the real estate management of the respective asset.

- Fund administration
- Investor services
- Depositary Services
- AIFM services
- Regulation & compliance services
- Transfer agent
- Audit and tax consultancy
