- 4.1. Pooled Money shall be apportioned proportionately between all Pooled Accounts, except upon making a withdrawal or in so far as any interest is held in the Paid Interest Account.
- 4.2. The Client will not request Vistra Jersey to take or refrain from taking any action whatsoever in relation to any Client Money which could in Vistra Jersey’s sole opinion result in a contravention of any law, regulation or guideline in force in Jersey from time to time or in any other relevant jurisdiction whatsoever. Vistra Jersey reserves the right not to comply with any request, including, but not limited to, where the withdrawal of Client Money could, in Vistra Jersey’s sole opinion, potentially result in a contravention of any law, regulation or guideline or any damage to Vistra Jersey’s reputation or good standing.
- 4.3. The Client will not have any entitlement or claim to any Pooled Money or any interest paid in respect thereof, other than its own Client Money and the interest earned on the Client Money. The Treasury Service does not provide for interest earned in respect of the Pooled Accounts to be shared between Clients with Pooled Money.

5. Management of Pooled Accounts

- 5.1. The Client agrees that and authorises Vistra Jersey to determine, from time to time, as it thinks fit:
 - a) the number and identity of the Banks;
 - b) the maximum exposure of the Pooled Money to each Bank, by setting maximum percentages of the Pooled Money to be held in the Pooled Accounts at each Bank;
 - c) the percentage of the Call Reserve;
 - d) the maturity profile of the Pooled Money, by setting a minimum or maximum percentage of the Pooled

Money to be held on call or different fixed term or notice period accounts at the Banks; and

- e) the range of currencies in which separate Pooled Accounts will be opened and maintained.

- 5.2. The Treasury Limits may be amended by Vistra Jersey from time to time and any amendment will be effective immediately.

6. Best Execution

- 6.1. Vistra Jersey will use reasonable care to obtain what it, in its absolute discretion, regards as competitive interest rates in relation to each Pooled Account, taking into consideration (i) the size and type of the transaction concerned; (ii) the interest rates or prices quoted by the Banks; (iii) the credit rating of each Bank; and (iv) the Treasury Limits.
- 6.2. Given the aforementioned criteria, the interest rates obtained in relation to Pooled Accounts may not be always as favourable as those that may be available from another Bank or a licensed bank that has not been included in the list of Banks for the purpose of the Treasury Service.

7. Interest

- 7.1. Vistra Jersey will not pay interest or determine the rate at which interest on Client Money will be paid. Interest rates applicable to the Pooled Accounts are set by the Banks and any interest on the Client Money of each Client will be paid only by the Banks. There will be no collective earning of interest on Pooled Money.
- 7.2. No interest will be paid on any sum held in the Paid Interest Account.
- 7.3. All interest accrued or paid in respect of Client Money will be interest earned by each Client only in respect of its own Client Money.

7.4. All interest paid by the Banks in respect of the Pooled Accounts is paid into the Paid Interest Account.

8. Accrued Interest Transfer

8.1. On each Accrued Interest Transfer Date, Vistra Jersey shall arrange the transfer of the following amounts from the Paid Interest Account, and, in circumstances described in Clause 8.3, by means of the Accrued Interest Loan:

- a) firstly, the fees and charges payable to Vistra Jersey by each Client in accordance with Clause 12;
- b) secondly, any taxes which Vistra Jersey is obliged to deduct in respect of each Client in accordance with Clause 12.1(b); and
- c) thirdly, the balance of the Accrued Interest recorded in the Accrued Interest Record immediately prior to each Accrued Interest Transfer Date in respect of each Client (the Accrued Interest Transfer Sum), to be transferred to the Pooled Accounts.

8.2. On each Accrued Interest Transfer Date the balance recorded in the relevant Client Record in respect of each Client will be increased by the amount of the Accrued Interest Transfer Sum and the balance on the relevant Accrued Interest Record will be reduced to zero.

8.3. If, on the Accrued Interest Transfer Date, the balance in the Paid Interest Account is insufficient to enable Vistra Jersey to arrange transfer of the sums described in Clause 8.1 in full, Vistra Jersey shall transfer the shortfall from its own money as an Accrued Interest Loan made to each Client.

8.4. Vistra Jersey shall only be entitled to recover the amount of the Accrued Interest Loan due from each Client by way of set off from either:

- a) the interest payments subsequently made by the Banks in respect of the Client Money of each such Client (which Vistra Jersey may accordingly deduct from

any balance standing to the credit of the Paid Interest Account on the Accrued Interest Transfer Date after transfer of the sums referred to in Clause 8.1); or

- b) if any Bank becomes unable to pay such interest payments, from any balance of Client Money held for each such Client.

8.5. For the avoidance of doubt, Vistra Jersey shall not, subject to Clause 12.6, be otherwise entitled to claim or recover payment of the Accrued Interest Loan from any other monies or assets belonging to the Client.

9. Withdrawals

9.1. A Client may provide instructions to Vistra Jersey to withdraw all or part of its Client Money from the Treasury Service (in accordance with the provisions of these Treasury Services Terms).

9.2. Client Money withdrawn from the Treasury Service shall be transferred to the Client Designated Account.

9.3. A withdrawal will not be permitted if there is insufficient Pooled Money available for immediate payment or if the payment of the withdrawal will result in a breach of the Treasury Limits. It may therefore be necessary for Vistra Jersey, if permitted by the relevant Bank, to arrange:

- a) for the term of a fixed or notice Pooled Account to be reduced, or
- b) for a fixed term or notice Pooled Account to be closed, to make sufficient Pooled Money available to pay the withdrawal and/or to ensure that the Treasury Limits are maintained.

9.4. Where Vistra Jersey seeks to arrange for the actions agreed at Clause 9.3 to be taken, the Bank which holds the fixed or notice Pooled Account in question may refuse to agree to such action, in which case the requested withdrawal will not be payable, or may require payment of a Break Fee.

9.5. If a Break Fee is required, it may, if the Client has agreed to pay the Break Fee, be paid by Vistra Jersey from its own funds and then charged to the Client who requested the withdrawal.

9.6. For the protection of all Clients, Vistra Jersey may refuse or limit the amount of any withdrawal if permitting such a withdrawal would breach the Treasury Limits.

9.7. Vistra Jersey will not permit a withdrawal in excess of the amount of Client Records. No overdrafts are permitted on the Pooled Accounts.

10. Client Records

10.1. Vistra Jersey will keep the Client Record to separately identify the balance of Client Money held in each of the Pooled Accounts and the Paid Interest Account.

10.2. Interest accrued to each Client in respect of each Pooled Account will be recorded in the Accrued Interest Record on a daily basis.

10.3. Where Client Money has been deposited in different currencies, Vistra Jersey shall establish a separate Client Record in respect of the balance held in each currency.

10.4. Vistra Jersey shall on request supply the Client with statements showing details of the Client Money.

11. Instructions

11.1. The Client can give instructions in writing or, where Vistra Jersey agrees, by telephone or by any other means which Vistra Jersey informs the Client is available.

- c) any other amounts which Vistra Jersey has incurred on the Client's behalf.

12.2. Where possible, the Client will be notified of any fees and charges which are not covered by the Treasury Services Fee Schedule before such fees and charges are incurred.

12.3. Vistra Jersey can make changes to the Treasury Services Fee Schedule upon giving the Client at least 30 days' written notice. If the Client does not agree to the changes, the Client can terminate the Treasury Service in accordance with Clause 15.

- 14.1. Save in the case of fraud, wilful misconduct or gross negligence neither, Vistra Jersey nor any of its Affiliates, nor any officers or employees of any of them will be liable to the Client for any breach of or failure to perform Vistra Jersey's obligations under these Treasury Services Terms.
