

Vistra Malaysia

IPO & Share Registry Services

Powering frictionless progress

VISTRN

About us

Our corporate philosophy, embodying responsibility, innovation and vision, reflects our commitment to excellence in our services.

Tricor Group (Tricor) which is now under Vistra's brand is the leading business expansion specialist in Asia, with global knowledge and local expertise in business, corporate, investor, human resources & payroll, corporate trust & debt services, fund administration, and strategic business advisory. Tricor's mission is to provide the building blocks for, and catalyse every stage of our clients' business growth, from incorporation to IPO. Tricor Services (Malaysia) Sdn Bhd ("Tricor Malaysia") became part of the Tricor Group in 2006 and had since embarked on acquiring legacy entities which provided share registration services and issuing house services from major international accounting and professional firms.

Acquisitions of share registration and issuing house services since 2007 include Tenaga Koperat Sdn Bhd (now known as Tricor Investor Services Sdn Bhd), PFA Registration Services Sdn Bhd, Epsilon Registration Services Sdn Bhd, Chua Woo & Company Sdn Bhd and Equiniti Services Sdn Bhd (now known as Tricor Investor & Issuing House Services Sdn Bhd).

Tricor Malaysia had streamlined these entities which provides the same services by transferring the businesses into one entity, namely "Tricor Investor & Issuing House Services Sdn Bhd".

Tricor Investor & Issuing House Services Sdn Bhd is the top leading provider of share registration services in Malaysia. It is through its legacy and proven track record on how clients and their security holders are serviced that has positioned us in the position. Our set-up, expertise and experience is unrivalled in serving our clients enabling us to accurately and efficiently perform all core registrars' functions, for securities registers of all types and sizes. Our experience allows us to innovate and provide new, automated and specialised services that can add value to our clients.

Tricor Investor & Issuing House Services Sdn Bhd has established itself as the pioneer issuing house in Malaysia riding on the legacy of Malaysia Industrial Development Finance Bhd ("MIDF") It has a track record of handling more than 700 Initial Public Offering ("IPO") jobs since its inception. The self-proprietary issuing house system used has been reviewed and endorsed by the auditor as well as received acceptance from the Securities Commission. Our unique balloting algorithm has leveraged our services to be the preferred issuing house by most companies as proven from our track record.

Our commitment to clients

- ✓ Provide the highest quality service
- ✓ Know and deliver efficient value-added services
- ✓ Ability to offer competitive rates

Our strengths

Technology

Our own in-house team of IT specialists, designs, develops and maintains our proprietary issuing house, share registration, general meeting/voting and e-Services systems. Essentially, we own the source code of all our software and that enables us to be flexible to customize our services to meet clients, authorities and regulators requirements.

Our systems are designed for web based as well as mobile application and we continuously, as a top priority, place emphasis in research and development to enhance our products as well as developing new products.

Network support

We have established network relationship with Bursa Malaysia Depository Sdn Bhd and other statutory bodies and stakeholders that enables sharing of professional advice and this allows us to provide value-added services to our clients and their security holders.

Tricor Group's existence spans globally and we are able to leverage on our regional experience, knowledge and extensive facilities. Thus, we can tap into our regional "data knowledge centre" to offer assistance to our clients in countries where we have our offices.

Tricor Malaysia is also a leading corporate (company secretarial) and business outsourcing (accounting and payroll) service provider. Together we make Tricor as a convenient one stop centre to clients that require a variety of professional services to help them meet their regulatory requirements.

Dynamic team

We have the best team of experienced staff with extensive exposure in issuing house and share registration functions.

Our long-serving key staff have more than 20 years of hands-on experience and this gives us a competitive edge to provide the highest quality and practical service to our clients and their security holders.

Our staff is provided with regular technical and market updates and on-job training. Our well-trained and well-informed staff in turn take their delegated responsibilities and commitment to our clients very seriously.

Our key personnel

Suzana Bt. Abdul Rahim
Executive Director
Investor Services

Suzana has more than 20 years of working experience in share registration / investor services and 10 years in issuing house services. She has handled major corporate exercises such as mergers and acquisitions, capital repayments, general offers, compulsory acquisitions, rights issue and dividend reinvestment plan and is experienced in administering employees share option schemes. She is responsible for overseeing the operations of the share registration services, ensuring consistency of high-level quality service. She is also responsible for the digitalisation of share registration services. She holds a Degree in Accountancy majoring in Taxation.

Samantha Goh
Associate Director
Investor Services

Samantha has more than 20 years of working experience in share registration / investor services moving from the legacy of share registration functions in scrip-base environment to the current scripless-base system. She has handled major corporate exercises such as rights issue, general offers, dividend reinvestment plan and physical and fully virtual shareholders' meeting. She is responsible for the smooth operations of investor services, ensuring the standard operating procedures, guidelines and regulations are practiced by all staff. She is currently overseeing three teams of staffs servicing a portfolio of over 120 clients.

Allen Sii
Senior Manager
Investor Services

Allen Sii brings over 15 years of experience in share registration and investor services. He has managed key corporate activities, including mergers, acquisitions, rights issues, and dividend reinvestment plans. During the COVID-19 pandemic, he provided advisory services on shareholder meetings using Tricor's TIH Online platform. With over 10 years in the issuing house sector, Mr. Sii oversees daily operations, liaising with clients, advisors, and authorities, coordinating balloting, and addressing complaints. He has also contributed to process enhancements, such as Computerized Balloting Systems and eRapids, improving efficiency and reducing "time to market." His expertise offers valuable consultation in issuing house and share registration matters.

Our innovations

Vistra Share Registry & IPO (MY)

This enhanced platform is designed to replace our current system, TIH Online, and offers a more streamlined and user-friendly experience. This new platform will enable security holders to participate in corporate exercises and events, and to submit their forms electronically--eliminating the need for certain paper-based processes. The platform will support a wide range of corporate exercises, including

- Rights Issue (e-Subscription)
- Dividend Reinvestment Plan (e-DRP)
- Proxy Form (e-Proxy)
- Remote Participation for general meeting and online voting (RPV)
- Conversion of non-equity securities (e-Conversion)
- Subscribe to IPO by employees and MITI investors (e-IPO)
- Take-over offer (e-GO)

Our platform is designed to deliver an enhanced user experience with a range of improved features, including:

- Strengthened security through Multi-Factor Authentication (MFA)
- A more intuitive and user-friendly interface
- Bringing our services closer to you – wherever you are
- Real-time acknowledgments
- Secure online payment capabilities
- Instant updates and service tracking

e-Communication with Security Holders

- In-house developed system to provide e-communication service with the ability to transmit high volume of emails at minimal queuing time.
- Creating email notification templates communicating on subjects such as, notice of meeting, allotment of securities, distribution of dividend in specie, election of dividend reinvestment plan, crediting of cash payment, etc.
- Send emails to security holders and track all email deliveries.
- Provide report of email notification delivery.
- Identify undelivered e-mails and send hard copy notification letter to the affected security holder.

Voting Mobile App

- Is our in-house developed mobile application, designed to conduct poll voting at general meeting electronically.
- Easily available for download onto smartphone or tablet from Google Play Store or Apple App Store.
- Voter will access to Vistra Share Registry & IPO (MY) portal with a passcode issued upon registration.
- Provides options to conduct e-voting on all resolutions simultaneously or on one resolution at a time.
- System to verify all votes casted against data base to provide a real-time instantaneous results.

About Vistra

Here at Vistra, **our purpose is progress**. As a close ally to our clients, our role is to remove the friction that comes from the complexity of global business. We partner with companies and private capital managers along the corporate and private capital lifecycle. From HR to tax and from legal entity management to regulatory compliance, we quietly fix the operational and administrative frustrations that hamper business growth. With over 9,000 experts in more than 50 markets, we can accelerate progress, improve processes and reduce risk, wherever your ambition takes you.
